

MASSACHUSETTS WATER POLLUTION ABATEMENT TRUST

WATER POLLUTION ABATEMENT PROJECT

LOAN QUESTIONNAIRE

Note: The following information must be provided to the Trust with respect to each “Project” to be funded in whole or in part from one or more Loans made by the Trust to the Borrower. Except as noted herein, only one Questionnaire is required for each Project even if the Project will be financed by more than one Loan. However, if the Borrower has received Loan Commitments for more than one Project, separate Questionnaires should be completed for each Project. Notwithstanding the designation of Projects by DEP, the design of a facility and its construction or installation are deemed to be one Project for purposes of this Questionnaire and only one Questionnaire need be submitted. Separate discrete elements or segments of a facility (other than design) are deemed to be separate Projects for which separate Questionnaires are requested.

This Questionnaire pertains solely to permanent Loans for Eligible Costs of the Project. Except as noted herein, do not include information regarding Interim Loans which the Borrower expects to receive from the Trust. All questions should be completed other than those which are not applicable to the Borrower, the Loan or the Project (if such is the case, indicate “NA”). If certain information requested is unavailable attach an explanation.

If you have any questions regarding this form please contact your bond counsel or the Trust at 367-3900, Attention: Nancy Parrillo, (Extension 508).
